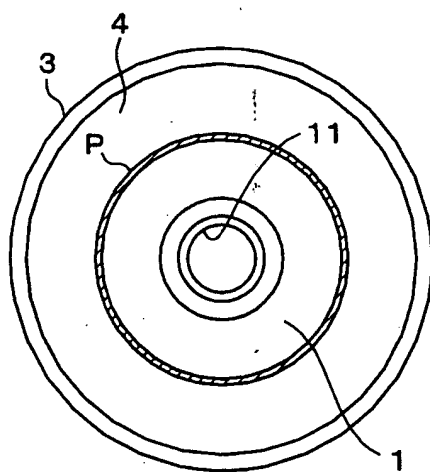

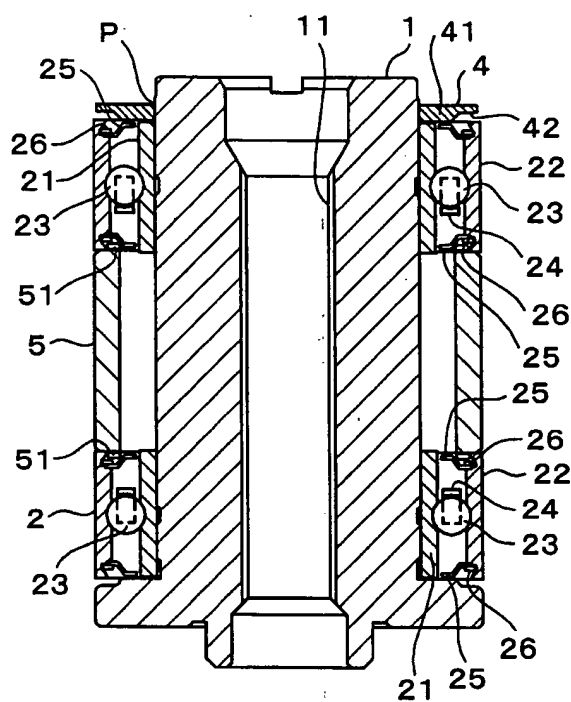

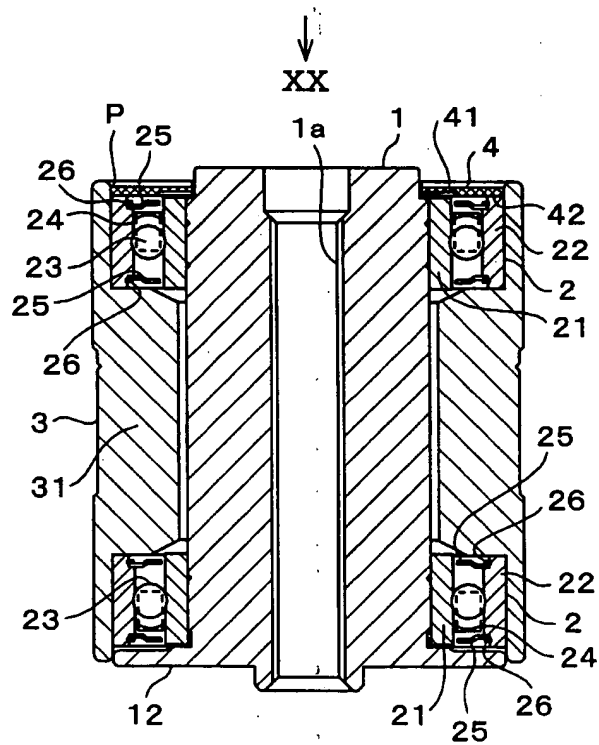

Fig. 1 is a cross-sectional view of a mechanical assembly. A central shaft (1) is supported by a housing (7). The shaft has a central section (21) and a lower section (61). The housing has a top flange (71) and a lower section (72). The shaft is secured by a nut (2) and washers (22, 23) on both sides. A seal (4) is located between the shaft and the housing. The assembly is mounted on a base (6). A horizontal line VI-VI indicates a section line.
